Financials & Donor Listing

*Faith, joy, kindness,  
perseverance, potential...*

The Cabbage Patch Settlement House is a nonprofit, Christian organization that exists to empower families and children to be self-sufficient by helping them maximize their spiritual, social, emotional, physical, moral, economic and educational potential.

## 2009 ANNUAL REPORT

### Our Financials

Throughout its 100 year history, the Board of Directors and the staff of The Cabbage Patch have been committed to providing quality programs and services while being faithful stewards of the resources entrusted to them. That same commitment is just as strong today.

The Cabbage Patch is not a Metro United Way member agency and does not choose to participate in those systems that can create dependency such as government grants. The Patch is able to meet the needs of its clients because of the generosity of donors, like you. Your support has never been more critical.

**\$1,361,037**

The Board and the staff at The Cabbage Patch continue with due diligence to raise the remaining \$1.3 million for the "Give the Kids Room to Grow" Capital Campaign. While the original timetable included securing all funding for the project to coincide with the completion of the construction and renovation of The Patch's facilities, these efforts were significantly hampered by the economic downturn and recession.

The goal is to secure the remaining funding through gifts and multi-year pledges as soon as possible thereby avoiding any long-term debt service which could restrict The Patch's ability to provide its current level of programs and services. Note: the project is not being funded by any government sources – city, state or federal.

If you would like more information or if you would like to make a gift, please contact Tracy Holladay at (502) 753-4445 or [tholladay@cabbagepatch.org](mailto:tholladay@cabbagepatch.org).
