The Cabbage Patch College Scholars Program

During the 2024-2025 academic year, 39 motivated Cabbage Patch Scholars received \$281,000* in scholarships that help bridge the financial gap often created after student loans and grants have been applied toward college tuition, housing, fees and expenses. Personal attention and support are provided to each Cabbage Patch College Scholar throughout their college career, greatly increasing their likelihood of graduation.

*This includes \$107,000 in Cabbage Patch funding; \$105,000 through a partnership with the University of Kentucky (a minimum of \$2,500 per student in annually renewable scholarships); \$20,000 through the Mackin Family Foundation; \$49,000 via the Carl Pollard Scholarship at the University of Louisville (\$14,000 annually per scholar).
You are invited to learn a little about our 2024-2025 group of college scholars.

SENIORS

Corey

Western Kentucky University

Pursuing: Construction Management
Current Goal: Construction Manager
Current Status: Senior
Graduation Date: May 2025

Corey began his time at The Patch at the age of 7, when we still had a “Fun Club Day Camp,” and likes to say he never stopped coming! Throughout his formative years, Corey was actively engaged in all areas of the Education and Recreation department where he became a fixture in our programs. Upon stepping onto the campus of WKU, Corey embraced his college life with enthusiasm. He holds a part-time position as a student campus guide and is a vibrant and integral part of WKU’s Greek life. Corey hopes to enter the field of Construction Management after graduation.

Dariyah

Morgan State University

Pursuing: Business
Current Goal: Construction Manager
Current Status: Senior
Graduation Date: May 2025

Dariyah has always had a deep passion for self-improvement. Throughout her middle and high school years, she actively sought opportunities to enhance her physical and emotional well-being, participating in various sports activities both in school and at The Cabbage Patch. Dariyah set her sights on attending an out-of-state HBCU, and she now thrives in Baltimore, Maryland. Pursuing a business degree with a concentration in Construction Management, Dariyah has set herself on a path toward success. One of Dariyah’s standout accomplishments is securing over \$50,000 in outside scholarships with the help of The Patch.

Jordan

Simmons College of Kentucky

Pursuing: General Studies
Current Goal: Physician
Current Status: Senior
Graduation Date: May 2025

Jordan, affectionately known as “Miss Sunshine” for her ever-present smile, has always radiated positivity. During her youth, she immersed herself in majorette dancing and was an active member of various dance teams within the community. Her journey with The Cabbage Patch allowed her to put her passion for dance on full display while gaining work experience as a teen employee. Today, she is a valuable member of Simmons’ Satin Rhythm Dance Team, while also excelling at her academic pursuits. Jordan is flourishing as a student and showing remarkable success. During her first year, she achieved the honor of being named Miss Freshman, a testament to her dedication, positivity, and commitment to excellence.

Mekhi

Virginia Union University

Pursuing: Political Science
Current Goal: Lawyer
Current Status: Senior
Graduation Date: May 2025

Mekhi, a dedicated student-athlete, is pursuing a bachelor’s degree in Political Science at Virginia Union University on a full athletic scholarship. Set to graduate in May 2025, Mekhi is working toward his goal of becoming a lawyer, with plans to earn his Juris Doctorate and make a meaningful impact in the field of law. Mekhi’s passion for football began early, honed through The Cabbage Patch’s sports programs, where he developed both athletic talent and leadership skills. His drive and commitment earned him a full scholarship to Virginia Union, where he continues to excel on the field and in the classroom. Balancing academics, athletics, and family responsibilities, Mekhi is a role model to his peers and an inspiration to his mother and younger sister. His determination, resilience, and ambition position him for success in his future legal career and beyond.

SENIORS

Talon

University of Kentucky

Pursuing: Finance
Current Goal: Finance
Current Status: Senior
Graduation Date: May 2025

Talon has approached his final year of college with appreciation for his academic journey. While his enthusiasm shines brightly, Talon remains acutely aware of the gravity of his academic responsibilities. His motivation for success is deeply rooted in his desire to serve as an example to his younger brother, Jaylin, emphasizing that educational achievements are within reach for them both. As he embarks on his senior year, Talon eagerly takes to heart the advice and wisdom he has gained from mentors within The Cabbage Patch. His ultimate goal after graduation is to enter and forge a self-sustaining career in the world of finance. With role models like Chip Snyder, a Patch Board alumnus, Talon is poised for a successful future.

JUNIORS

Aaliyah

Berea College

Pursuing: Psychology
Current Goal: Therapist
Current Status: Junior
Graduation Date: May 2026

Aaliyah is deeply immersed in her psychology studies, driven by her curiosity about human behavior and the factors that drive people. Her connection to The Cabbage Patch has been instrumental in her growth, particularly through her participation in Civil Rights Camp. During this transformative experience, she crossed the legendary Edmund Pettus Bridge and explored the historical significance of civil rights in locations such as Georgia, Mississippi, and Alabama. Aaliyah is excelling at Berea College, where she is known for maintaining a high GPA. Her dedication to the field of psychology is matched by her determination to understand the complexities of human psychology and behavior.

A successful business owner in her own right, Ayana's grandmother instilled in her an unwavering belief that her dreams and aspirations are completely within reach. The Cabbage Patch encouraged her by providing opportunities to apply those valuable life lessons from home and uncover a path toward her dreams. With a clear vision for her future and support to make it happen, Ayana is on track to graduate with a degree in veterinary science. She looks forward to building an exciting career based on her enduring love for animals and continuing her grandmother's legacy of achievement.

Bryson

Webster University

Pursuing: Performing Arts
Current Goal: Musical Theatre
Current Status: Junior
Graduation Date: May 2026

Bryson, a member of The Cabbage Patch since 2019, is refining his acting skills and paving the way for a promising career in the performing arts. Mentorship from The Patch has actively enhanced his financial literacy and money management skills to support his independence. Outside The Patch, Bryson has actively participated in local theatre groups like Redline Performing Arts, showcasing his versatility and passion for the stage through lead roles in productions like AIDA. Now studying at Webster University, renowned for its performing arts program, Bryson eagerly anticipates the day he can make musical theatre his full-time career.

JUNIORS

Cameron

Lindsey Wilson College

Pursuing: Business
Current Goal: Business Owner
Current Status: Junior
Graduation Date: May 2025

Cameron has an enormous heart and big dreams. During his time at The Cabbage Patch, he discovered and cultivated a love for culinary arts through programs like Seed to Table. While he was a formidable offensive lineman on the San Bernardino Valley College football team, Cameron's dreams extended beyond the football field. His true ambition lies in the world of business, with a vision of owning a restaurant in the future. This year, Cameron transferred to continue his education closer to home. He continues to showcase his culinary prowess by providing delicious meals for himself and his roommates in his dorm. His balance of sports, education, and cooking exemplifies the versatility and dedication that we encourage in youth at The Patch.

Christian

Morehead State University

Pursuing: Mechanical Engineering
Current Goal: Mechanical Engineer
Current Status: Junior
Graduation Date: May 2027

The oldest child in his family, Christian has been a part of The Cabbage Patch community since the age of 10. In his youth, he enjoyed Patch gaming programs like game design camp and patch-con, where he displayed his talent for creating intricate games with multiple outcomes. His love for design and understanding of machinery kindled his interest in mechanical engineering. Christian is committed to pursuing his dream of entering the mechanical engineering field after graduating from Morehead State. Christian recently suffered the heart-wrenching loss of his younger brother, but despite processing this devastating loss, he has shown immense resilience by returning to school with a newfound determination to achieve his goals.

Jada

University of Louisville

Pursuing: Spanish
Current Goal: Social Justice
Current Status: Junior
Graduation Date: May 2026

Jada is a dynamic individual with an inclination for embracing challenges and a full schedule. Her high school years were reflective of her diverse interests and marked by participation in various activities, from the Spanish club to the orchestra and color guard. She is currently a Spanish major at the University of Louisville, with an ultimate goal of using her language skills to build a career in social justice. She is the President of the Eta Omega Chapter of Sigma Gamma Rho Sorority, Inc., and she exercises the organization's dedication to philanthropy by volunteering with The Cabbage Patch teen leadership program. Jada's dedication to giving back and making a positive impact in the community inspires other Patch kids to follow in her footsteps, lifting others as they climb.

CONTINUING EDUCATION

Dejah

Current Goal: Social Worker

Dejah is a young woman who takes her education very seriously. In 2022, she proudly graduated from WKU, marking a significant milestone in her academic journey. Guided by a belief in the value of training, she has continued to invest in her education. Dejah's ambition to become a therapist was inspired in part by the guidance she received from staff at The Cabbage Patch. The support they provided made her want to become a young adult therapist. In 2023, she took the next step in her educational journey by entering UofL's Kent School of Social Work. Dejah's story is one of resilience, ambition, and a deep commitment to making a meaningful impact in the lives of others.

Tatiyana

Current Goal: Social Worker

Tatiyana is a dedicated and compassionate individual with a strong ambition to become a social worker. Her infectious sense of humor makes her a favorite among her peers and college scholars, brightening the atmosphere around her. After graduating from the University of Kentucky in 2021, she pursued her passion by entering the Kent School of Social Work at the University of Louisville in 2023. Tatiyana actively gains valuable experience in the field and gives back to her community through her service hours at The Cabbage Patch, further deepening her connection with the organization and making a positive impact on those she serves.

Micah

Current Goal: Registered Nurse

Micah holds a bachelor's degree in psychology from Northern Kentucky University and has dedicated himself to serving others through his work as a Care Assistant at The Brook Hospital. Motivated by his experiences in the mental and behavioral health field, Micah is currently completing prerequisite coursework at JCTC to qualify for nursing school next fall. His ultimate goal is to become a Registered Nurse, combining his background in psychology with a career in healthcare to provide compassionate, holistic care to patients. Micah's dedication to personal growth and professional development reflects his commitment to making a positive impact in healthcare.

Aariona

Current Goal: Marketing Specialist and Photographer

Aariona originally graduated from the University of Kentucky with a degree in Kinesiology, but her true passion was always in marketing. Over the years, she built an impressive career helping small businesses develop their social media strategies, blending her creativity with a business-oriented mindset. Aariona is now pursuing her love for photography, studying with a local photography program to earn her degree by 2025. She hopes to combine her expertise in marketing with her photography skills to continue empowering small businesses and bring their artistic vision to life.
